Mr. Goldinger,

Per your request the following is a brief overview of the myriad of CRIMES perpetrated against me. As I mentioned in my prior email the **CONCISE STATEMENT** provides ALL the EVIDENCE you need for the prosecution of ALL Appellees involved and that are a violation of the **United States Codes** that I provided in the first email.

I tried to send the email with attachments but it was undeliverable because the files were too big so I am resending this email and you will have to download the Exhibits from my website at [1776ToTyranny.com](http://1776ToTyranny.com) on the "Timeline of Corruption" page.

Appellee AK Steel (**formerly Armco Steel but now Cleveland-Cliffs**) entered a civil contract with me for employment that if I followed the LAW and their written directives which is PUBLIC POLICY LAW they would compensate me with future wages, benefits, pension, etc.

Appellee AK Steel would not allow me to be part of the fraudulent Appellee UAW (**formerly Butler Armco Independent Union**) for 90 days AND Appellee AK Steel et al NEVER informed me that they paid the salaries of the Appellee UAW officers and the average overtime from the departments they worked and the officers did not have to work the overtime. Additionally, Appellee AK Steel provided an on company property union hall which is a CRIME because the National Labor Relations Act clearly states a company cannot provide any financial assistance to a union which is spelled out in the **CONCISE STATEMENT**.

That aforementioned FACT is clearly a CRIME against me and every person that has worked at the Appellee AK Steel plant do to the FRAUD of the company owning the FRAUDULENT Appellee UAW and negotiating FRAUDULENT contracts or having FRAUDULENT arbitration hearings.

On 6-22-98 (**Exhibit 3**) I was verbally instructed by Appellee AK Steel to violate their own written directives and NOT chain down a pinion gear on a Stake Truck which then rolled over with me inside the truck. I sustained bumps and bruises but could have been killed which is a CRIME.

The continued CRIME was when after the Stake Truck rolled over with me inside the truck I was shown pictures of the Stake Truck almost rolling over on co-worker Dan Redick that was proof Appellee AK Steel KNEW that it was unsafe to haul the pinion gear on the Stake Truck and the FACT that after the Stake Truck rolled over on me Appellee AK Steel required the pinion gear to be hauled with a low-boy tractor-trailer.

After this issue I was concerned about all the defective heavy equipment Appellee AK Steel was requiring me and my co-workers to operate and the legal liability that we could assume so I called the PA Attorney General's Office and spoke with David Devries. I explained to Devries about the Linkbelt crane that had a bent jib that we were verbally directed to operate, the Grove crane that had defective steering and verbally directed to operate, the overloaded trailers that we were directed to operate with a tractor not rated for the weight driving down the steep hill from the Hilltop processing that had a 90 degree bend in it to an intersection the public at large could enter the plant to purchase slag from Hecketts Slag and these are just to name a few CRIMINAL ISSUES. When I asked Devries who would assume the liability if someone was injured or killed Devries stated Appellee AK Steel et al would be held civilly liable but whoever was operating the equipment could quite possibly be held criminally liable and serve a prison term.

**Exhibit 4** is the **Armco Safety and Security Handbook** that is **PUBLIC POLICY LAW** and clearly states that all employees must follow the State Motor Code both inside and outside the plant which Appellee AK Steel WAS and IS STILL directing employees to violate which is a CRIME.

On 7-28-00 (**Exhibit 6**) was a warning letter I received for inadvertently violating company General Safety Order #3 yet *there were other salary and hourly employees* on the railroad tracks with me BUT I was the only one that was disciplined.

A letter dated 3-1-01 (**Exhibit 9**) was a letter sent by my then legal counsel, Dennis Moskal, to numerous Appellee AK Steel supervisors and to then CEO Wardrup apprising them of the legal liability of me and co-workers.

On 3-21-01 (**Exhibit 11**) is a letter I wrote and sent to then Appellee AK Steel CEO Wardrup and numerous other supervisors detailing the retaliation against me as well as the CRIMES committed against me and co-workers. Yet on 3-23-01 (**Exhibit 13**) I was escorted out of the mill by plant security because Appellee Edward Tasse gave me a direct order AGAIN to operate a tractor (**Exhibit 26**) that was not rated to haul the grossly overloaded trailer (**Exhibit 27**) and NOT chain down the coils clearly against Appellee AK Steel written directives (**Exhibit 4**) which is **Public Policy Law**. In **Exhibit 13** Appellee Tasse uses fraudulent **INCULPATORY** excerpts of **Exhibit 4** to attempt to incriminate me but does not use the **EXCULPATORY** excerpts from **Exhibit 4** that clearly details I was following the LAW!

Appellees AK Steel et al, UAW et al, Murtagh, Chivers and Papa committed CRIMES and FRAUD with the fraudulent arbitration and defrauding the courts.

Appellee McCune (former Butler County District Attorney) committed a CRIME when he violated his SWORN OATH to uphold the Constitution by refusing to investigate the CRIMES and CONSPIRACY committed against me after I sent him the letter (**Exhibit 28**) dated 11-29-01 that details the CRIMINAL acts and CONSPIRACY against me as well as **United States Codes specifically Title 18 Section 241 – Conspiracy Against Rights**. Appellee McCune responded with his letter (**Exhibit 31**) dated 12-19-01 to me stating he had “no opinion” regarding my employment claims. His SWORN OATH to uphold the Constitution of the United States DOES NOT give him a right to his “OPINION” all he can do is follow and enforce the LAW which is the Constitution of the United States of America and ONLY Constitutional Laws. Appellee McCune also admitted he received the information I sent him as well as **Exhibit 11** that was the letter I sent to Appellee AK Steel CEO Wardrup and other supervisors detailing the retaliatory and CRIMINAL actions against me and co-workers so he had the evidence but chose to commit a CRIME by not prosecuting all involved! Appellee McCune had all the evidence of the CRIME of the truck rolling over with me inside and that I was fired for WHISTLE BLOWING and he did NOTHING which is a CRIME.

Approximately a year after I was fired for WHISTLE BLOWING Keith Ekenrode was killed and was nothing short of MANSLAUGHTER after my continued warnings to Appellee AK Steel et al and McCune! I recently spoke with Chris Cahillane who represented Keith Ekenrode’s widow and he told me he was not allowed to discuss the case but if he was ordered to do so he would which would expose the corruption that took place that led to Keith’s death. Chris can be reached at 412-594-5552.

My wife and I put together (**Exhibit – U.S. Attorney General Letter 2003**) dated 3-7-03 that was approximately 300 pages and was sent to then U.S. Attorney Ashcroft detailing the corruption and CIVIL and CRIMINAL activity that was perpetrated against me at the local, state and federal level. The document contained the letter to Ashcroft as well as all the **Exhibits** on my website at [1776ToTyranny.com](http://1776ToTyranny.com)

After repeated attempts at the local, state and federal level I refiled my Complaint dated 5-29-19 representing myself in Butler County Court. All the judges recused themselves so Appellee Cunningham was brought in as the judge. When I filed the Complaint I DEMANDED A JURY TRIAL which is GUARANTEED under

the Constitution Amendment 7 and the **PREAMBLE** below to the **Bill of Rights** is PROOF the right to a CIVIL JURY TRIAL is GUARANTEED.

**"THE** Conventions of a number of the States, having at the time of their adopting the Constitution, expressed a desire, in order to **prevent misconstruction or abuse of its powers**, that **further declaratory and restrictive clauses should be added**: And as extending the ground of public confidence in the Government, will best ensure the beneficent ends of its institution." (Emphasis added)

Appellee Cunningham, AK Steel et al, UAW et al and ALL legal counsel continued to conspire against my RIGHTS so I sent ALL Appellees the Color of Law Warning Letters (**Amended Legal Notice and Warning for Violation of Right Under Color of Law**) as part of the court filing by me dated 10-18-19.

When I filed the Complaint I sent a letter to President Trump, U.S. Attorney General Barr, Senator Rubio, Congressman Rutherford and Governor DeSantis apprising them of the CRIMES and CONSPIRACY against me at the local, state and federal level. Senator Rubio sent me an email apologizing for the corrupting I was dealing with so he started a Congressional Inquiry on my behalf and Congressman Rutherford joined the Inquiry.

On 2-20-20 the U.S. Department of Justice / Federal Bureau of Investigation sent Senator Rubio a letter (**DOJ-FBI Response to Senator Rubio**) asking me to contact the FBI's Jacksonville Field Office to provide more information. I contacted the Jacksonville FBI and after a couple months was asked to send more information so I mailed the letter dated 5-8-20 (**FBI letter**) along with other evidence. Today I spoke with the Jacksonville FBI and they are going to have the agent in charge get back to me for further investigation.

In light of the evidence I have provided you and all the evidence you can find on your own investigation you must:

- Prosecute ALL Appellees with a law license and ALL the principles of Appellee AK Steel et al and principles of Appellee UAW for their CONSPIRACY AGAINST MY CONSTITUTIONAL RIGHTS of Due Process of the LAWS and Equal Protection of the LAWS.
- Prosecute ALL Appellees for the CRIME of defrauding the courts for using labor law to supersede CRIMINAL and CIVIL LAW against me.
- Prosecute Appellee AK Steel et al for the CRIME of verbally directing me to operate the truck against their own written directives – PUBLIC POLICY LAW – that rolled over with the potential of death to me when they KNEW they had pictures of the truck almost rolling over on co-worker Dan Redick and NOT telling me.
- Prosecute Appellee AK Steel et al for the CRIME of verbally directing me to operate the truck against their own written directives – PUBLIC POLICY LAW – on 3-23-01 and then firing me for WHISTLE BLOWING.
- Prosecute Appellee UAW et al for the CRIME of masquerading as a union when IN FACT Appellee AK Steel owns the UAW on the Butler AK Steel property.
- Prosecute ALL Appellees with a law license for their part in violating their SWORN OATH to uphold the Constitution of the United States of America and their SWORN OATH OF OFFICE in

Pennsylvania by their falsehood in defrauding the courts to delay my recovering compensatory and punitive damages.

- Have ALL Appellees with a law license stripped of their law license to never be able to practice law again.
- Prosecute any Appellee for CRIMES that you see as well.

Mr. Goldinger,
