Mr. Goldinger,

In addition to my reply to you yesterday I wanted to add this additional info as to why you have to do your job and prosecute all Appellees involved in the conspiracy against me and have committed crimes in doing so.

As I stated yesterday there has been fraud committed by all Appellees using labor law when my case was criminal and civil and the fact that the Appellee UAW is a fraud at the Butler AK Steel (now Cleveland-Cliffs) plant.

All Appellees have defrauded the courts by using labor law when this happened and defrauded are defrauding the courts now which is a CRIME and a CRIME you have the duty to investigate and prosecute all involved.

Per your email yesterday I have also contacted the U.S. Attorney for the Western District of Pennsylvania and I am waiting for a call back. I informed them of the letter I sent you from the U.S. Department of Justice and the investigation by the FBI.

Sincerely,

Joe

Sir,

I have not even had a chance to review half of what you sent me. We are extremely busy, as you could expect, since the courts were closed for several months due to COVID.

What I can tell you, from what I have reviewed thus far, is that your claim is nearly twenty years old, and you are looking to pursue criminal charges under federal statutes. My office does not have jurisdiction over federal law. The U.S. Attorney for the Western District of Pennsylvania would have jurisdiction. Regardless, I will take a look at what you have presented to me and let you know what, if anything, my office can do.
