Senator Rubio, Congressman Rutherford, Representative Kelly and Governor DeSantis,

Please find attached the email correspondence between the Butler County District Attorney in Pennsylvania and myself. Per his request I provided information for the investigation and prosecution of those that have committed crimes against me in Pennsylvania. He asked the following question "[What crime was committed of which you are a victim do you want investigated and prosecuted?](#)"

I have also attached the letter from the U.S. Department of Justice / Federal Bureau of Investigation to Senator Rubio and the letter I sent to the FBI Jacksonville Field Office with information the FBI requested from me.

Have any of you contacted the FBI on my behalf regarding the investigation of the criminal activity perpetrated against me at the local, state and federal government?
