Attachment available until January 18, 2020.

Ms. Malspeis,

Congressman Rutherford asked me to keep him updated as to my court case in Pennsylvania so please find attached the court filing to the Pennsylvania Supreme Court, **Notice of Appeal**, that I filed yesterday at the Butler County Pennsylvania courthouse.

The court filing details the corruption of the Butler County court system and the continued FRAUD by all involved as well as Defendant Cunningham that illegally made a ruling against me when he knew I had named him as a Defendant a month before his illegal court OPINION/ORDER.

I have sent the court filing to Senator Rubio to forward to the U.S. Department of Justice and the FBI as well.

Also, please respond to know you received this email.

Thank you,
