Dear Governor DeSantis,

Thank you for your time to review this correspondence from me. The reason I am reaching out to you is to make you aware of the corruption of the past 2 administrations and to seek justice and the prosecutions of all of those involved that have violated my Constitutional Rights.

Please visit my website www.1776ToTyranny.com to read the letter I sent to then U.S. Attorney General Ashcroft on March 7, 2003 detailing the corruption perpetrated on me from local, state and federal government officials which is criminal!

I would be glad to come to meet with you anytime to answer any questions you would have and help in anyway.

This is a government for the people and by the people so please don't let us down!

I look forward to hearing from you soon.

Sincerely,

A handwritten signature in cursive script that reads "Joe Myers".

Joe
