716 Hart Senate Office Building  
Washington, DC 20510

Dear Senator Scott,

Thank you for your time to review this correspondence from me. The reason I am reaching out to you is to make you aware of the corruption of the past 2 administrations and to seek justice and the prosecutions of all of those involved that have violated my Constitutional Rights.

Please visit my website [www.1776ToTyranny.com](http://www.1776ToTyranny.com) to read the letter I sent to then U.S. Attorney General Ashcroft on March 7, 2003 detailing the corruption perpetrated on me from local, state and federal government officials which is criminal!

Check out the Government Exhibits on the website and the letters I received back for President Bush Jr., Senator Nelson and Senator Martinez. They did nothing so I hope that won't be you as well.

I would be glad to come to Washington to answer any questions you would have and help in anyway.

I have sent letters to President Trump and U.S. Attorney General Barr as well apprising them of the corruption.

This is a government for the people and by the people so please don't let us down!

I look forward to hearing from you soon.

Sincerely,

Joe
